The Hon. Allen W. Dulles,  
Director: Central Intelligence Agency,  
WASHINGTON, D.C.

Dear Mr. Dulles,

It was very kind of you to send me a copy of your booklet on "The Boer War" and I wish to assure you that it will be a prized possession in my collection of Africana.

Should you at some time possibly come across the manuscript of this booklet, I hope you will bear my request in mind that it be donated to the Africana Museum in Cape Town.

Kind regards,

Yours sincerely,

*Robert Ross*
